PE and Sport Premium 2026–2027

At Southway Primary School, we are committed to using the PE and Sport Premium to make sustainable improvements to the quality of physical education and sport. For the 2026–2027 academic year, our initial priorities are to replenish playground and PE equipment, improve the resources available for active play, maintain our partnership with the School Sports Partnership (SSP), and explore targeted physical activity opportunities that respond to identified pupil needs. As this plan develops, further projects may be added to ensure the funding is used effectively and sustainably within the required funding period.

Key Indicators Addressed

We measure our success against the Department for Education's five key indicators:

1. Engagement of all pupils in regular physical activity.
2. Raising the profile of PE and sport across the school.
3. Increased confidence, knowledge and skills of staff.
4. Broader experience of sports and activities.
5. Increased participation in competitive sport.

Planned Expenditure Overview

Action	Linked Indicators	Intent	Implementation	Impact	Allocation
Playground & PE Equipment	1, 2, 4	To replenish equipment that is beginning to run low and ensure pupils continue to have access to high-quality resources for PE, sport and active play.	Audit current playground and PE equipment and purchase durable replacement and additional resources across the school.

SSP Partnership	1, 2, 3, 4, 5	To ensure pupils continue to access school sport, festivals and competitions within the local area, while supporting wider PE and sport provision.	Purchase the SSP package for the 2026–2027 academic year and use the opportunities available through the partnership, including local competitions and school sport activities.		
Targeted Physical Activity Projects	1, 2, 4	To explore targeted provision for pupils with identified needs, including vulnerable pupils and those who may benefit from support with emotional regulation.	Explore suitable projects and future funding opportunities, such as a targeted boys' martial arts club. Develop provision in response to identified school or local need as future funding arrangements become clearer.

Swimming Attainment

Meeting national curriculum requirements for swimming and water safety

Overview:, 60 children from Year 6 have taken part in a Swim:Ed programme.

Initial Assessment

- 67% of children were able to swim at least 25m.
- 40% of children were able to use a range of strokes effectively.
- 25% of children were able to perform safe self-rescue in different water-based situations.

Final Assessment

- 75% of children were able to swim at least 25m.
- 77% of children were able to use a range of strokes effectively.
- 97% of children were able to perform safe self-rescue in different water-based situations.

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity above and above the national curriculum requirements.
